JE NE SAIS PAS JE NE CARER

“If your hard drive crashes, taking your bitcoin wallet along with it, I've still got some Krugerrands stashed, buried out in the back yard along with my old Baywatch VHS tapes.”

- Emil, 2028

Is it ignorance or apathy that colors my opinion(s)? As a charter member of the Parkdale Chapter of the outlawed Jesuits of Truth, I am sworn by my membership to be truthful and as such, let me just say:

“I don't know and I don't care because I came from a land of plenty - where all the hairless monkeys have a Ph.D. and if they are honest, they will whisper in your one good ear that math sucks.”

What does this have to do with anything?

Is there a reason that I dared to expose an ancient Mystery School secret that there are hidden valleys which are totally populated by very well-educated people of the monkey persuasion or I am a traditor to my own vows and am about to reduce myself into the league of Carney huskers and fellow travelling trouts in order to sell you this book and make my upcoming rent?

Well campers, these are tough, troubling times where my God given talent for creating commercial quality doddles is outright banned and outlawed for being decadent, anti-social graffiti in this new, brave age of Ahriman’s Great Social Reset and my rent comes

due in less than a week.
Either way, does it really matter?
Once you have had the time to determine the truth or you have spent a morning angerly reproaching my corporate, economic slave masters down at the WWWG Plantation and Printshop for duly deserved refund, I will have already blown town on the midnight Greyhound bus back to Tulsa taking the funds to blow in the burbon, dance houses down on Cannery Road without a second thought of you or that evil old witch that claimed to be my landlord along with her two gangster nephews – who will be unable to follow me due to their home arrest status probation and the limitations of the ankle bracelets.
